

## ACCREDITATION STATUS AND ADEQUATE YEARLY PROGRESS STATUS

The Michigan Department of Education (MDE) developed a school rating system that includes Top-to-Bottom Ranking, which is a statewide list of schools ranked by their performance on all MEAP/MME results for two years. It also includes a Status Label for some schools. Status Labels are Reward, Focus or Priority. A Reward School is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus School is one that has a large achievement gap in 30% of its student achievement scores. A Priority School is one whose achievement and growth is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases no status label is given. In addition, the MDE implemented the School Accountability Scorecard for both schools and districts. The School Accountability Scorecards include traditional federal NCLB requirements and state requirements and ties them to a point-based, color-coded classification.
